 - (ii) establish a departmental services division to perform service functions; and
 - (iii) employ law enforcement officers and special function officers within the department that have all of the powers of a conservation officer and law enforcement officer, with the exception of the power to serve civil process.

Renumbered and Amended by Chapter 344, 2009 General Session

79-2-205. Procedures -- Adjudicative proceedings.

Except as provided by Sections 40-10-13, 63G-4-102, and 73-2-25, a division, board, council, or committee referred to in Section 79-2-201 shall comply with the procedures and requirements of Title 63G, Chapter 4, Administrative Procedures Act, in

an adjudicative proceeding.

Renumbered and Amended by Chapter 344, 2009 General Session

79-2-301. Budget.

(1) The department shall prepare and submit to the governor, to be included in the budget to be submitted to the Legislature, a budget of the department's requirements for expenses in carrying out the provisions of law during the fiscal year next following the convening of the Legislature.

(2) The director of each division shall prepare, with the advice of the division's policy board, a budget of expenses for the next fiscal year, which shall be submitted to the executive director to aid in the preparation of the departmental budget.

Renumbered and Amended by Chapter 344, 2009 General Session

79-2-302. Fees.

(1) Unless otherwise provided by statute, the department may adopt a schedule of fees assessed for services provided by the department.

(2) A fee described in Subsection (1) shall:

(a) be reasonable and fair; and

(b) reflect the cost of services provided.

(3) The department shall submit a fee established under this section to the Legislature as part of the department's annual appropriations request.

(4) The department may not charge or collect a fee established under this section without approval of the Legislature.

Enacted by Chapter 344, 2009 General Session

79-2-303. Species Protection Account.

(1) There is created within the General Fund a restricted account known as the Species Protection Account.

(2) The account shall consist of:

(a) revenue generated by the brine shrimp tax provided for in Title 59, Chapter 23, Brine Shrimp Royalty Act; and

(b) interest earned on money in the account.

(3) Money in the account may be appropriated by the Legislature to:

(a) develop and implement species status assessments and species protection measures;

(b) obtain biological opinions of proposed species protection measures;

(c) conduct studies, investigations, and research into the effects of proposed species protection measures;

(d) verify species protection proposals that are not based on valid biological data;

(e) implement Great Salt Lake wetlands mitigation projects in connection with the western transportation corridor;

(f) pay for the state's voluntary contributions to the Utah Reclamation Mitigation

and Conservation Account under the Central Utah Project Completion Act, Pub. L. No. 102-575, Titles II-VI, 106 Stat. 4605-4655; and

(g) pay for expenses of the State Tax Commission under Title 59, Chapter 23, Brine Shrimp Royalty Act.

(4) The purposes specified in Subsections (3)(a) through (3)(d) may be accomplished by the state or, in an appropriation act, the Legislature may authorize the department to award grants to political subdivisions of the state to accomplish those purposes.

(5) Money in the account may not be used to develop or implement a habitat conservation plan required under federal law unless the federal government pays for at least 1/3 of the habitat conservation plan costs.

Renumbered and Amended by Chapter 344, 2009 General Session

79-2-401. Volunteer workers authorized.

(1) The department and its divisions may use volunteer workers to supplement the salaried work force.

(2) A volunteer may be reimbursed for expenses actually and necessarily incurred, including transportation, meals, lodging, uniforms, and other items as approved by the Division of Finance, in the amounts and in accordance with the rules of the Division of Finance.

(3) A volunteer is considered an employee of the state for the purposes stated in Section 67-20-3.

(4) A volunteer may not donate a service to the department or a division unless the work program in which the volunteer would serve has first been approved, in writing, by the executive director and the executive director of the Department of Human Resource Management.

(5) Volunteer services shall comply with the rules adopted by the Department of Human Resource Management relating to the services that are not inconsistent with this section.

Renumbered and Amended by Chapter 344, 2009 General Session

79-2-402. Outdoor recreation facilities -- Participation in federal programs -- Comprehensive plan.

(1) The executive director may, by following the procedures and requirements of Title 63J, Chapter 5, Federal Funds Procedures Act, seek a federal grant or loan or participation in a federal program to plan and develop an outdoor recreation resource, including:

(a) acquiring land or water; or

(b) acquiring an interest in land or water.

(2) (a) The executive director, in cooperation with the state planning coordinator and the state agency or political subdivision responsible for planning, acquisition, and development of outdoor recreation resources, may prepare, maintain, and update a comprehensive plan for the outdoor recreation resources of the state.

(b) The executive director shall submit the plan and any plan amendment to the

governor for the governor's review and approval.

(3) By following the procedures and requirements of Title 63J, Chapter 5, Federal Funds Procedures Act, the executive director may:

(a) apply to a United States agency for participation in or the receipt of aid from a federal program regarding outdoor recreation;

(b) in cooperation with other state agencies, enter into a contract or agreement with the United States or a United States agency;

(c) keep financial and other records; and

(d) furnish necessary reports to the United States official or agency.

(4) In connection with obtaining the benefits of an outdoor recreation program, the executive director shall coordinate the department's activities with and represent the interests of all state agencies and political subdivisions having an interest in the planning, development, and maintenance of the outdoor recreation resource or facility.

(5) The department may act as the agent of the state or a political subdivision to receive and to disburse federal money in accordance with the comprehensive plan.

(6) The executive director may not make a commitment or enter into an agreement as authorized by this section and neither shall the governor approve a commitment or agreement unless sufficient funds are available to the department for meeting the state's share, if any, of project costs.

(7) To the extent necessary to assure the proper operation and maintenance of areas and facilities acquired or developed pursuant to a program participated in by the state under this section, the areas and facilities shall be publicly maintained for outdoor recreation purposes.

(8) The executive director may enter into and administer an agreement with the United States or a United States agency with the governor's approval for planning, acquisition, and development projects involving participating federal-aid funds on behalf of a political subdivision, if the political subdivision gives necessary assurance to the executive director that:

(a) the political subdivision has available sufficient funds to meet the political subdivision's share, if any, of the cost of the project; and

(b) the political subdivision will operate and maintain an acquired or developed area at the expense of the political subdivision for public outdoor recreation use.

Amended by Chapter 218, 2010 General Session

79-2-403. Rulemaking for sale of real property -- Licensed or certified appraisers -- Exceptions.

(1) In accordance with Title 63G, Chapter 3, Utah Administrative Rulemaking Act, if the department buys, sells, or exchanges real property, the department shall make rules to ensure that the value of the real property is congruent with the proposed price and other terms of the purchase, sale, or exchange.

(2) The rules:

(a) shall establish procedures for determining the value of the real property;

(b) may provide that an appraisal, as defined under Section 61-2g-102, demonstrates the real property's value; and

(c) may require that the appraisal be completed by a state-certified general

appraiser, as defined under Section 61-2g-102.

(3) Subsection (1) does not apply to the purchase, sale, or exchange of real property, or to an interest in real property:

- (a) that is under a contract or other written agreement before May 5, 2008; or
- (b) with a value of less than \$100,000, as estimated by the state agency.

Amended by Chapter 289, 2011 General Session

79-2-404. Contracting powers of department -- Health insurance coverage.

(1) For purposes of this section:

(a) "Employee" means an "employee," "worker," or "operative" as defined in Section 34A-2-104 who:

- (i) works at least 30 hours per calendar week; and
- (ii) meets employer eligibility waiting requirements for health care insurance which may not exceed the first day of the calendar month following 60 days from the date of hire.

(b) "Health benefit plan" has the same meaning as provided in Section 31A-1-301.

(c) "Qualified health insurance coverage" is as defined in Section 26-40-115.

(d) "Subcontractor" has the same meaning provided for in Section 63A-5-208.

(2) (a) Except as provided in Subsection (3), this section applies a design or construction contract entered into by, or delegated to, the department or a division, board, or council of the department on or after July 1, 2009, and to a prime contractor or to a subcontractor in accordance with Subsection (2)(b).

(b) (i) A prime contractor is subject to this section if the prime contract is in the amount of \$1,500,000 or greater.

(ii) A subcontractor is subject to this section if a subcontract is in the amount of \$750,000 or greater.

(3) This section does not apply to contracts entered into by the department or a division, board, or council of the department if:

(a) the application of this section jeopardizes the receipt of federal funds;

(b) the contract or agreement is between:

(i) the department or a division, board, or council of the department; and

(ii) (A) another agency of the state;

(B) the federal government;

(C) another state;

(D) an interstate agency;

(E) a political subdivision of this state; or

(F) a political subdivision of another state; or

(c) the contract or agreement is:

(i) for the purpose of disbursing grants or loans authorized by statute;

(ii) a sole source contract; or

(iii) an emergency procurement.

(4) (a) This section does not apply to a change order as defined in Section 63G-6a-103, or a modification to a contract, when the contract does not meet the initial threshold required by Subsection (2).

(b) A person who intentionally uses change orders or contract modifications to circumvent the requirements of Subsection (2) is guilty of an infraction.

(5) (a) A contractor subject to Subsection (2)(b)(i) shall demonstrate to the department that the contractor has and will maintain an offer of qualified health insurance coverage for the contractor's employees and the employees' dependents during the duration of the contract.

(b) If a subcontractor of the contractor is subject to Subsection (2)(b)(ii), the contractor shall demonstrate to the department that the subcontractor has and will maintain an offer of qualified health insurance coverage for the subcontractor's employees and the employees' dependents during the duration of the contract.

(c) (i) (A) A contractor who fails to meet the requirements of Subsection (5)(a) during the duration of the contract is subject to penalties in accordance with administrative rules adopted by the department under Subsection (6).

(B) A contractor is not subject to penalties for the failure of a subcontractor to meet the requirements of Subsection (5)(b).

(ii) (A) A subcontractor who fails to meet the requirements of Subsection (5)(b) during the duration of the contract is subject to penalties in accordance with administrative rules adopted by the department under Subsection (6).

(B) A subcontractor is not subject to penalties for the failure of a contractor to meet the requirements of Subsection (5)(a).

(6) The department shall adopt administrative rules:

(a) in accordance with Title 63G, Chapter 3, Utah Administrative Rulemaking Act;

(b) in coordination with:

(i) the Department of Environmental Quality in accordance with Section 19-1-206;

(ii) a public transit district in accordance with Section 17B-2a-818.5;

(iii) the State Building Board in accordance with Section 63A-5-205;

(iv) the State Capitol Preservation Board in accordance with Section 63C-9-403;

(v) the Department of Transportation in accordance with Section 72-6-107.5;

and

(vi) the Legislature's Administrative Rules Review Committee; and

(c) which establish:

(i) the requirements and procedures a contractor must follow to demonstrate compliance with this section to the department which shall include:

(A) that a contractor will not have to demonstrate compliance with Subsection (5)(a) or (b) more than twice in any 12-month period; and

(B) that the actuarially equivalent determination required for qualified health insurance coverage in Subsection (1) is met by the contractor if the contractor provides the department or division with a written statement of actuarial equivalency from either:

(I) the Utah Insurance Department;

(II) an actuary selected by the contractor or the contractor's insurer; or

(III) an underwriter who is responsible for developing the employer group's premium rates;

(ii) the penalties that may be imposed if a contractor or subcontractor intentionally violates the provisions of this section, which may include:

(A) a three-month suspension of the contractor or subcontractor from entering into future contracts with the state upon the first violation;

(B) a six-month suspension of the contractor or subcontractor from entering into future contracts with the state upon the second violation;

(C) an action for debarment of the contractor or subcontractor in accordance with Section 63G-6a-904 upon the third or subsequent violation; and

(D) monetary penalties which may not exceed 50% of the amount necessary to purchase qualified health insurance coverage for an employee and a dependent of an employee of the contractor or subcontractor who was not offered qualified health insurance coverage during the duration of the contract; and

(iii) a website on which the department shall post the benchmark for the qualified health insurance coverage identified in Subsection (1)(c).

(7) (a) (i) In addition to the penalties imposed under Subsection (6), a contractor or subcontractor who intentionally violates the provisions of this section shall be liable to the employee for health care costs that would have been covered by qualified health insurance coverage.

(ii) An employer has an affirmative defense to a cause of action under Subsection (7)(a)(i) if:

(A) the employer relied in good faith on a written statement of actuarial equivalency provided by:

(I) an actuary; or

(II) an underwriter who is responsible for developing the employer group's premium rates; or

(B) the department determines that compliance with this section is not required under the provisions of Subsection (3) or (4).

(b) An employee has a private right of action only against the employee's employer to enforce the provisions of this Subsection (7).

(8) Any penalties imposed and collected under this section shall be deposited into the Medicaid Restricted Account created in Section 26-18-402.

(9) The failure of a contractor or subcontractor to provide qualified health insurance coverage as required by this section:

(a) may not be the basis for a protest or other action from a prospective bidder, offeror, or contractor under Section 63G-6a-1603 or any other provision in Title 63G, Chapter 6a, Utah Procurement Code; and

(b) may not be used by the procurement entity or a prospective bidder, offeror, or contractor as a basis for any action or suit that would suspend, disrupt, or terminate the design or construction.

79-3-201. Establishment of survey within the department -- General supervision of the survey.

The survey is established within the department under:

- (1) the administration and general supervision of the executive director; and
- (2) the policy direction of the board.

Renumbered and Amended by Chapter 344, 2009 General Session

79-3-202. Powers and duties of survey.

- (1) The survey shall:
 - (a) assist and advise state and local agencies and state educational institutions on geologic, paleontologic, and mineralogic subjects;
 - (b) collect and distribute reliable information regarding the mineral industry and mineral resources, topography, paleontology, and geology of the state;
 - (c) survey the geology of the state, including mineral occurrences and the ores of metals, energy resources, industrial minerals and rocks, mineral-bearing waters, and surface and ground water resources, with special reference to their economic contents, values, uses, kind, and availability in order to facilitate their economic use;
 - (d) investigate the kind, amount, and availability of mineral substances contained in lands owned and controlled by the state, to contribute to the most effective and beneficial administration of these lands for the state;
 - (e) determine and investigate areas of geologic and topographic hazards that could affect the safety of, or cause economic loss to, the citizens of the state;
 - (f) assist local and state agencies in their planning, zoning, and building regulation functions by publishing maps, delineating appropriately wide special earthquake risk areas, and, at the request of state agencies or other governmental agencies, review the siting of critical facilities;
 - (g) cooperate with state agencies, political subdivisions of the state, quasi-governmental agencies, federal agencies, schools of higher education, and others in fields of mutual concern, which may include field investigations and preparation, publication, and distribution of reports and maps;
 - (h) collect and preserve data pertaining to mineral resource exploration and development programs and construction activities, such as claim maps, location of drill holes, location of surface and underground workings, geologic plans and sections, drill logs, and assay and sample maps, including the maintenance of a sample library of cores and cuttings;
 - (i) study and analyze other scientific, economic, or aesthetic problems as, in the judgment of the board, should be undertaken by the survey to serve the needs of the state and to support the development of natural resources and utilization of lands within the state;
 - (j) prepare, publish, distribute, and sell maps, reports, and bulletins, embodying the work accomplished by the survey, directly or in collaboration with others, and collect and prepare exhibits of the geological and mineral resources of this state and interpret their significance;
 - (k) collect, maintain, and preserve data and information in order to accomplish the purposes of this section and act as a repository for information concerning the geology of this state;
 - (l) stimulate research, study, and activities in the field of paleontology;
 - (m) mark, protect, and preserve critical paleontological sites;
 - (n) collect, preserve, and administer critical paleontological specimens until the specimens are placed in a repository or curation facility;
 - (o) administer critical paleontological site excavation records;
 - (p) edit and publish critical paleontological records and reports; and
 - (q) by following the procedures and requirements of Title 63J, Chapter 5, Federal Funds Procedures Act, seek federal grants, loans, or participation in federal

programs, and, in accordance with applicable federal program guidelines, administer federally funded state programs regarding:

- (i) renewable energy;
- (ii) energy efficiency; and
- (iii) energy conservation.

(2) (a) The survey may maintain as confidential, and not as a public record, information provided to the survey by any source.

(b) The board shall adopt rules in order to determine whether to accept the information described in Subsection (2)(a) and to maintain the confidentiality of the accepted information.

(c) The survey shall maintain information received from any source at the level of confidentiality assigned to it by the source.

(3) Upon approval of the board, the survey shall undertake other activities consistent with Subsection (1).

(4) (a) Subject to the authority granted to the department, the survey may enter into cooperative agreements with the entities specified in Subsection (1)(g), if approved by the board, and may accept or commit allocated or budgeted funds in connection with those agreements.

(b) The survey may undertake joint projects with private entities if:

- (i) the action is approved by the board;
- (ii) the projects are not inconsistent with the state's objectives; and
- (iii) the results of the projects are available to the public.

Renumbered and Amended by Chapter 344, 2009 General Session

79-3-203. Director of survey -- Designation as state geologist -- Qualifications -- Duties and authority.

79-3-301. Board of Utah Geological Survey created.

(1) There is created within the department the Board of the Utah Geological Survey.

- (2) The board is the policymaking body for the survey.

Renumbered and Amended by Chapter 344, 2009 General Session

79-3-302. Members of board -- Qualifications and appointment -- Vacancies -- Organization -- Meetings -- Financial gain prohibited -- Expenses.

(1) The board consists of seven members appointed by the governor, with the consent of the Senate.

(2) In addition to the requirements of Section 79-2-203, the members shall have the following qualifications:

(a) one member knowledgeable in the field of geology as applied to the practice of civil engineering;

(b) four members knowledgeable and representative of various segments of the mineral industry throughout the state, such as hydrocarbons, solid fuels, metals, and industrial minerals;

(c) one member knowledgeable of the economic or scientific interests of the mineral industry in the state; and

(d) one member who is interested in the goals of the survey and from the public at large.

(3) The director of the School and Institutional Trust Lands Administration is an ex officio member of the board but without any voting privileges.

(4) (a) Except as required by Subsection (4)(b), members are appointed for terms of four years.

(b) Notwithstanding the requirements of Subsection (4)(a), the governor shall, at the time of appointment or reappointment, adjust the length of terms to ensure that the terms of board members are staggered so that approximately half of the board is appointed every two years.

(c) No more than four members may be of the same political party.

(d) When a vacancy occurs in the membership for any reason, the replacement shall be appointed for the unexpired term by the governor with the consent of the Senate.

(5) The board shall select from its members a chair and such officers and committees as it considers necessary.

(6) (a) The board shall hold meetings at least quarterly on such dates as may be set by its chair.

(b) Special meetings may be held upon notice of the chair or by a majority of its members.

(c) A majority of the members of the board present at a meeting constitutes a quorum for the transaction of business.

(7) Members of the board may not obtain financial gain by reason of information obtained during the course of their official duties.

(8) A member may not receive compensation or benefits for the member's service, but may receive per diem and travel expenses in accordance with:

(a) Section 63A-3-106;

(b) Section 63A-3-107; and

(c) rules made by the Division of Finance pursuant to Sections 63A-3-106 and

63A-3-107.

Amended by Chapter 286, 2010 General Session

79-3-303. Responsibilities of board.

The board has the following responsibilities:

- (1) establish and review policies, programs, and priorities;
- (2) review and recommend budgets;
- (3) assess the needs of the community with regard to development and use of geologic resources;
- (4) keep the director advised concerning survey policies; and
- (5) enact rules in accordance with Title 63G, Chapter 3, the Utah Administrative Rulemaking Act, that are necessary to carry out the purposes of this chapter.

Renumbered and Amended by Chapter 344, 2009 General Session

79-3-401. Disposition of survey income -- Sources of funds.

- (1) Income to the survey is deposited with the state treasurer and credited by the treasurer to the General Fund as dedicated credits for use by the survey.
- (2) In addition to those funds that are available to the survey under Subsection (1), the Legislature shall provide such funds by appropriation as are reasonably necessary to meet the requirements of the survey in the performance of its duties and obligations.

Amended by Chapter 303, 2011 General Session

79-3-402. Utah Geological Survey Sample Library Fund.

- (1) There is created an expendable special revenue fund known as the "Utah Geological Survey Sample Library Fund."
- (2) The fund consists of money from the following revenue sources:
 - (a) donations or contributions from individuals, companies, organizations, or government entities; and
 - (b) interest generated by the fund.
- (3) The director shall administer the fund.
- (4) (a) Donations and other contributions to the fund and unallocated interest as provided in Subsection (5)(c) shall constitute the fund's principal.
 - (b) The principal may be expended only with the concurrence of the board.
- (5) (a) Interest generated by the fund may be expended to support the sample library as provided in Subsections (5)(b) and (c).
 - (b) An amount of money equal to or less than the interest generated by the fund in the previous fiscal year may be expended annually in support of the sample library.
 - (c) Funds that are eligible to be spent, but remain unallocated at the end of any fiscal year, revert to the fund and become part of the fund's principle.

Amended by Chapter 400, 2013 General Session

79-3-501. Permit required to excavate critical paleontological resources on state lands -- Removal of specimen or site.

(1) (a) Before excavating for critical paleontological resources on lands owned or controlled by the state or its subdivisions, except as provided in Section 79-3-502, a person must obtain a permit from the survey.

(b) Application for a permit shall be made on a form furnished by the survey.

(c) The survey shall make rules for the issuance of permits specifying or requiring:

(i) the minimum permittee qualifications;

(ii) the duration of the permit;

(iii) proof of permission from the land owner that the permittee may enter the property for purposes specified in the permit;

(iv) research designs that provide for the maximum recovery of scientific, paleontological, and educational information, in addition to the physical recovery of specimens and the reporting of paleontological information meeting current standards of scientific rigor;

(v) the need, if any, to submit data obtained in the course of field investigations to the survey;

(vi) proof of consultation with the designated museum representative regarding curation of collections;

(vii) proof of consultation with other agencies that may manage other legal interests in the land; and

(viii) other information the survey considers necessary.

(2) All paleontological work shall be carried out under the supervision of the director, or assigned staff.

(3) A person may not remove from the state, prior to placement in a repository or curation facility, a specimen, site, or portion of a specimen or site from lands owned or controlled by the state or its subdivisions, except as provided in Section 79-3-502, without permission from the survey, and without prior consultation with the landowner or other agencies managing other interests in the land.

Renumbered and Amended by Chapter 344, 2009 General Session

79-3-502. Permit required to excavate critical paleontological resources on school and institutional trust lands -- Removal of specimen or site.

(1) (a) Before excavating for critical paleontological resources on school or institutional trust lands, a person must obtain a permit from the School and Institutional Trust Lands Administration.

(b) The School and Institutional Trust Lands Administration may, by rule, delegate the authority to issue excavation permits for critical paleontological resources to the survey.

(c) Application for a permit shall be made on a form furnished by the School and Institutional Trust Lands Administration.

(d) Prior to issuing a permit, the school and institutional trust lands administration shall consult with the survey director, or assigned staff, pursuant to Section 79-3-508.

(e) The School and Institutional Trust Lands Administration shall enact rules for the issuance of permits specifying or requiring:

- (i) the minimum permittee qualifications;
- (ii) the duration of the permit;
- (iii) the need, if any, to submit data obtained in the course of field investigations to the administration;
- (iv) proof of consultation with the designated museum representative regarding curation of collections; and
- (v) other information the School and Institutional Trust Lands Administration considers necessary.

(2) A person may not remove from the state, prior to placement in a repository or curation facility, a specimen, site, or portion of a specimen or site from school and institutional trust lands without permission from the School and Institutional Trust Lands Administration, granted after consultation with the survey.

Renumbered and Amended by Chapter 344, 2009 General Session

79-3-503. Ownership of collections and resources.

(1) Collections recovered from lands owned or controlled by the state or its subdivisions, except as provided in Subsection (2), shall be owned by the state.

(2) Collections recovered from school and institutional trust lands shall be owned by the respective trust.

(3) Paleontological resources, other than critical paleontological resources, recovered from school and institutional trust lands, shall be owned by the respective trust and shall be managed pursuant to statutory authority of the School and Institutional Trust Lands Administration.

(4) The repository or curation facility for collections from lands owned or controlled by the state or its subdivisions shall be designated pursuant to Section 53B-17-603.

(5) Specimens found on lands owned or controlled by the state or its subdivisions may not be sold.

Renumbered and Amended by Chapter 344, 2009 General Session

79-3-504. Revocation or suspension of permits -- Criminal penalties.

(1) A permitting agency under Section 79-3-501 or 79-3-502 may revoke or suspend a permit if the permittee fails to conduct the excavation pursuant to the law, the rules enacted by the permitting agency, or permit provisions.

(2) (a) A person violating any provision of Section 79-3-501 or 79-3-502 is guilty of a class B misdemeanor.

(b) A person convicted of violating any provision of Section 79-3-501 or 79-3-502, or the rules promulgated by the survey or the School and Institutional Trust Lands Administration under those sections, shall forfeit to the state or the respective trust all paleontological resources discovered by or through the person's efforts, in addition to any penalties imposed.

Renumbered and Amended by Chapter 344, 2009 General Session

79-3-505. Paleontological landmarks.

- (1) (a) Sites of significance or sites with exceptional fossils may be recommended to and approved by the board as state paleontological landmarks.
- (b) No privately owned site or site on school or institutional trust lands may be so designated without the written consent of the owner or the trust.
- (2) A person may not excavate on a privately owned designated landmark without a permit from the survey.
- (3) Before an alteration is commenced on a designated landmark, three months notice of intent to alter the site shall be given the survey.

Renumbered and Amended by Chapter 344, 2009 General Session

79-3-506. Report of discovery on state or private lands.

- (1) A person who discovers any paleontological resources on privately owned lands or on lands owned or controlled by the state or its subdivisions shall promptly report the discovery to the survey.
- (2) Field investigations shall be discouraged except in accordance with this chapter.
- (3) Nothing in this section may be construed to authorize a person to excavate for paleontological resources.

Renumbered and Amended by Chapter 344, 2009 General Session

79-3-507. State paleontological register -- Survey duties.

- (1) The survey shall establish a state paleontological register for the orderly identification and recognition of the state's paleontological resources.
- (2) The board shall notify owners of sites and localities before placing those sites or localities on the State Paleontological Register.

Renumbered and Amended by Chapter 344, 2009 General Session

79-3-508. Agency responsibilities -- Allowing director reasonable opportunity to comment.

- (1) Before expending state funds or approving an undertaking, each state agency shall:
 - (a) take into account the effect of the undertaking on a specimen that is included in or eligible for inclusion in the State Paleontological Register; and
 - (b) allow the director or assigned staff a reasonable opportunity to comment regarding the undertaking or expenditure.
- (2) The director or assigned staff shall advise on ways to maximize the amount of scientific, paleontological, and educational information recovered, in addition to the physical recovery of specimens and the reporting of paleontological information, at current standards of scientific rigor.

Renumbered and Amended by Chapter 344, 2009 General Session

79-3-509. Curriculum and materials for the training of volunteers who assist paleontologists.

(1) The survey shall develop a curriculum and materials for the training of volunteers who assist paleontologists in the field and laboratory.

(2) The director shall appoint a qualified survey employee to develop the curriculum and materials under this section.

(3) The survey may request input and assistance from any interested organization in developing the curriculum and materials.

(4) The survey may collect fees to cover the costs of the materials and updating of the curriculum.

Renumbered and Amended by Chapter 344, 2009 General Session

79-3-510. Protection of school and institutional trust land interests relating to paleontological resources.

(1) The School and Institutional Trust Lands Administration shall develop policies and procedures for the excavation, preservation, placement in a repository, curation, and exhibition of critical paleontological resources from school and institutional trust lands that:

(a) are consistent with the provisions of the school and institutional land grants; and

(b) insure that primary consideration is given, on a site or project specific basis, for the support of the beneficiaries of the school and institutional land grants.

(2) Consistent with the provisions of the school and institutional land grants, the School and Institutional Trust Lands Administration may:

(a) preserve and develop sites found on school and institutional trust lands for scientific or educational purposes; and

(b) provide for the disposition of sites found on school and institutional trust lands, after the appropriate level of data recovery, for preservation, development, or economic purposes.

79-4-1101. Title.

This part is known as "Contingency Planning for Management of Federal Land."

Enacted by Chapter 313, 2014 General Session

79-4-1102. Contingency plan for federal property.

(1) As used in this part, "fiscal emergency" means a major disruption in the operation of one or more national parks, national monuments, national forests, or national recreation areas in the state caused by the unforeseen or sudden significant decrease or elimination of funding from the federal government.

(2) During a fiscal emergency, and subject to congressional approval, the governor's agreement with the United States Department of the Interior, or a presidential executive order, the governor is authorized to enter into an agreement with the federal government to ensure that one or more national parks, national monuments, national forests, or national recreation areas in the state, according to the priority set under Section 79-4-1103, remain open to the public.

Enacted by Chapter 313, 2014 General Session

79-4-1103. Governor's duties -- Priority of federal property.

(1) During a fiscal emergency, the governor shall:

(a) if financially practicable, work with the federal government to open and maintain the operation of one or more national parks, national monuments, national forests, and national recreation areas in the state, in the order established under this section; and

(b) report to the speaker of the House and the president of the Senate on the need, if any, for additional appropriations to assist the division in opening and operating one or more national parks, national monuments, national forests, and national recreation areas in the state.

(2) The director of the Outdoor Recreation Office, created in Section 63M-1-3304, in consultation with the executive director of the Governor's Office of Economic Development, shall determine, by rule, the priority of national parks, national monuments, national forests, and national recreation areas in the state.

(3) In determining the priority described in Subsection (2), the director of the Outdoor Recreation Office shall consider the:

(a) economic impact of the national park, national monument, national forest, or national recreation area in the state; and

(b) recreational value offered by the national park, national monument, national forest, or national recreation area.

(4) The director of the Outdoor Recreation Office shall:

(a) report the priority determined under Subsection (2) to the Natural Resources, Agriculture, and Environment Interim Committee by November 30, 2014; and

(b) annually review the priority set under Subsection (2) to determine whether the priority list should be amended.
